Team Workload Survey *Only one entry per team per shift: enter the number or circle the answer(s) that apply DESERVE – National Evaluation of Deteriorating Patient Services.*

Question	Shift 1	Shift 2	Shift 3	Shift 4	Shift 5	Shift 6	Shift 7
Start of shift (date & time) *e.g. 12/11/26, 08:30*							
Length of shift (hours) *e.g. 12 hours*							
Type of shift *(OOH = out of hours)*	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend	Daytime weekday / OOH weekday / Weekend daytime / OOH weekend
Total number of clinical staff this shift							
Short notice / unplanned absences							
Planned / long term absences							
Number of patients reviewed (totals):							
ALL NEW referrals *e.g. deteriorating patients, MR, stepdown*							
ALL REPEAT reviews *e.g. patient on 'outreach list' of unwell patients*							
Number of patients reviewed (by category):							
Martha's rule reviews: in person							
Martha's rule reviews: remote *e.g. phone call only, or notes reviewed only*							
ICU step-down reviews *both first and repeat reviews*							
Routine pathway / protocol reviews *e.g. pain, epidural, CAR-T, tracheostomy*							
Patients meeting activity survey's inclusion criteria *as per the Activity Survey Form's definition*							
Patients seen by your team who were admitted to critical care							
Patients admitted to critical care after a Martha's Rule call							
Please rate your agreement with the following statements:							
The intensity of work the team experienced during this shift is sustainable in the long term	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree / Disagree / Strongly disagree
We were satisfied with the amount of time we could spend with each patient during this shift	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree
Our clinical training prepared us well for the work encountered during this shift	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree	Strongly agree / Agree Neither disagree or agree Disagree / Strongly disagree
